Youth Talks

**lmi Youth & Schools Outreach**

Needle in a Haystack

In 'Needle in a Haystack', we discuss how we need to be actively seeking God and listening to Him, how our faith grows during difficult times and how we can look to Jesus as the ultimate example of living faith.

Onesimus

As we look at the lives of Onesimus, the woman at the well and the man with the legion of demons, we see how God works in amazing ways to fulfil His plans and purposes.

Devoted

Life has so much to offer including many things to distract us. Spending time with God is so important, but how often do we really do it? In this programme, we offer practical tips and help to grow in your relationship with God.

Weekend Series

Man on the Run

God's people are sinful and frail, and yet His love for them is steadfast and faithful. 'Man on the Run' is a four-part series focusing on Jonah, the runaway prophet, and on God's love in pursuing him, bringing him back, changing him, and even using him to bring salvation to others.

By Grace

This three-part programme explores the book of Ephesians in a way that is accessible and applicational. Looking at the riches God has given His people, this programme unpacks what it means to be united to Christ, united together and how this affects our lives.

Press On

The Christian life is a journey, and on that journey we face many obstacles, twists and turns. How do we cope? Is it really worth it? Join us as we journey through one of the biggest selling books of all time: The Pilgrim's Progress. Over four sessions we will explore friendship, doubt, trials and encouragements.

We also offer **one-off talks** for your youth group or SU if you are going through a series or a specific topic.

Please contact us, and we would be happy to help.
